

NEW!

Learning Ally Link app

Learning Ally Link is an educational reading app, designed for learning through listening.

Choose from 80,000 human-read audiobooks including textbooks, fiction and classic literature using the Link app, **coming soon to the Apple App and Google Play store.** Explore new and exciting features:

- **NEW!** Add notes to bookmarks
- **NEW!** Add books to bookshelf right from your mobile device's browser
- **NEW!** Displayed book covers and audio format labels
- **NEW!** Searchable bookshelf
- **NEW!** Select download location (ANDROID)
- Table of contents and page numbers match that of the same print edition
- Adjustable speed, text size, text and highlighting color
- Listen to books online or offline even while device is locked
- Go to page and chapter navigation
- 30 second rewind capability
- Compatible with VoiceOver (iOS)

Download at LearningAlly.org/Link and learn more.
(Membership required. Join at LearningAlly.org!)

Please note: When you make the switch from the Learning Ally Audio app, you will need to re-download your books. But, you do not need to re-add your books to your bookshelf! When you login to Link, the books on your bookshelf will load in a non-downloaded state.
